## Piano is Movable

**Fire Alarm**  
**Height: 43"**  
**Protrusion: 3"**

**21'-0"**

The floor plan illustrates the layout of the School Yard stage area. Key features include:

- Chair Racks:** Located on the left side of the stage.
- Fire Alarm:** A red dashed box on the left wall indicates a fire alarm with a height of 43" and a protrusion of 3".
- School Yard:** The area to the left of the stage, featuring a table and a white board.
- Back Stage:** The area behind the stage, containing several BMD (Backstage Monitor Display) units.
- Workers Access:** A green area at the top of the stage, featuring a wheelchair icon, a 'P' sign, a '2' sign, and four 'CART' signs.
- Voter Access:** A large blue area in the center of the stage.
- Check-In:** Three brown boxes labeled 'CHECK - IN' are positioned along the top edge of the Voter Access area.
- Workers Access:** A green area on the right side of the stage, featuring a wheelchair icon and a 'P' sign.
- FST:** A brown box labeled 'FST' is located on the right side of the stage.
- Fire Height Protrusion:** A red dashed box on the right wall indicates a fire height protrusion.
- Teleph:** A red dashed box on the right wall indicates a telephone.
- Height: Protrusion:** A red dashed box on the right wall indicates a height protrusion.
- School Yard 1 step:** A red dashed box on the right wall indicates a school yard with one step.
- Steps to Stage:** A red dashed box on the right wall indicates steps leading to the stage.
- Piano is Movable:** A black shape on the right side of the stage indicates a movable piano.
- Dimensions:** Various dimensions are noted, including 12'-0" for the stage width, 6'-0" for the Workers Access area, and 9'-0" for the Back Stage area.

## Back Stage

***Each chair at a CHECK-IN station equals one ePollbook***
